Dordogne River Valley

BY BIKE THROUGH THE GORGEOUS PÉRIGORD.

Our cycling tour through the purple-coloured Dordogne-valley leads you through diverse scenery: ascents and descents in the shade of the deep forests, breathtaking panoramas, ancient rockfaces gilded by the sun, palaces and prehistoric caves – Welcome to the Périgord!

Starting from Bergerac or Mouleydier, the capital of the Périgord, you cycle through numerous lovely villages, some of which are considered the most beautiful villages in France, such as the medieval Sarlat. En route across the magical Périgord, the village of Eyzies-de Tayac, world capital of the prehistory, and many palaces line the way.
