## *Between Black Forest and Vosges*

### RHINE & WINE IN THE BORDER TRIANGLE.

Three countries, three cultures and a wonderful mild-climate awaits you in the Rhine valley between the Alps, Black Forest and the Vosges Mountains.

The picturesque city of Freiburg is the starting point for our tour. At the Rhine knee you can enjoy one of the most beautiful and well preserved mediaeval old towns in Europe. The Rhine passes through beautiful natural landscapes, the impressive mountain ranges of the Black Forest, always firmly in view of the Baden wine route and Freiburg with its picturesque old town. On the other side of the Rhine, Colmar is waiting, the capital of Alsace wines. At the foot of the Vosges Mountains, you cycle along the French wine route, through dreamy villages with many Alsatian timber-frame houses and almost perfectly preserved mediaeval town centres. The area around the colourful town Hall in Mulhouse is dominated by the architectural diversity from the Middle Ages, the Renaissance, the Gründerzeit and modern times. At the „Rhine-knee“ you will enjoy one of the most beautiful and best kept medieval old towns of Europe: Basel.

From Colmar we follow the French wine route. The dreamy wine-growing villages, with many Alsatian timber-frame houses, and magnificent mediaeval town centres in the midst of extensive vineyards are areas for unwinding, enjoyment and simply relaxing. One of the highlights will be the Murbach Monastery, which was one of the richest and most influential in the Holy Roman Empire.
