Itinerary

DAY
1

Arrival in Bordeaux

At your arrival, take your time to visit Bordeaux, World Heritage Site by UNESCO. Take a walk along the Garonne dock, meander in the lively streets of St. Pierre quarter, bargain-hunt in the Chartrons quarters, have fun on the reflecting water's mirror water...

DAY
2

Bordeaux – Margaux | approx. 35 km

This first stage leads you across the vines, toward one of the most famous vineyards in France: Château-Margaux. As far as you leave Bordeaux, you will be surrounded by numerous vineyards. You won't know where to turn for a wine tasting or winery visit.

DAY
3

Margaux – Lacanau | approx. 60 km

Enjoy the vineyards landscapes for some kilometers before reaching the cycle paths. This will softly lead you, toward Lacanau-Océan, by the pines of the greatest France forest: the Landes forest. Then reach directly your hotel where a swimming pool is waiting for you.

DAY
4

Lacanau – Arcachon | approx. 45 km + Ferry ride

Follow the Ocean until Arcachon. This stage is a subtle mix of pines and fines sands' dunes. Leave your bikes, wherever you wish, to enjoy the beaches. Arriving at the Cap Ferret, take the ferry, with your bikes, to reach Arcachon. The hotel will welcome you, not far from the beaches, to have fun in the Bay waves!

DAY
5*Arcachon – Biscarrosse* | approx. 30 / 35 km

Take advantage of this small stage to appreciate the discovery of a must: the Pilat Dune. You will be rewarded with the ascent: at the top you will enjoy a panoramic view, impregnable on the Ocean and the Bay of Arcachon.

DAY
6*Biscarrosse – Mimizan Plage/Contis les Bains*

| approx. 55 / 70 km

The course now distances itself from the ocean and the Vélodyssée makes you discover the interior of the Landes and its ponds. The more sinuous and more hilly route winds between the dunes and the big lakes (Biscarrosse, Parentis, Aureilhan) to arrive at the seaside resort of Mimizan-Plage, animated and charming with its Belle-Èpoque villas.

DAY
7*Mimizan Plage/Contis les Bains – Vieux Boucau/Capbreton*

| approx. 60 - 65 km

The Vélodyssée finds a peaceful route along the coast, in the heart of the pine forest. Contis les Bains is an ideal first stop. A small unusual detour for a superb point of view? the visit of the lighthouse of Contis with the ascent of its 183 steps. After Saint Girons Plage, the route slowly departs from the ocean by a cycle path that alternates between forest and small roads. Leon lake invites you to swim before returning to the coast and reach Vieux Boucau, original with its marine lake.

DAY
8*Vieux Boucau/Capbreton – Biarritz* | approx. 45 / 60 km

A great last stage in apotheosis with a beautiful bike path that leaves the Landes to get where the surf is king. You ride along the longest sandy beach in Europe to the famous resorts of Hossegor and Capbreton. Here, do not miss the inevitable walk on the Estacade, a wooden pier built by Napoleon III in the 19th century.

DAY
9*Departure or extension*

Tour character

They cycle mainly on well-developed cycle paths and side roads, partly also sections run on gravel roads. The stages are generally slightly hilly.
