

## *Lake Reschen - Verona*

### ON ADIGE CYCLE PATH TO THE SOUTH.

A small balcony that had a big impact. Two young people in love till the death. Live the story in the historic town of Verona. Where Shakespeare's tragedy 'Romeo and Juliet' was set is your final destination. In Reschen you hop onto the bike and start peddling. Over eight days you will cycle through a Mediterranean landscape, grape-hung vineyards and numerous orchards. At every stop there is another delicacy to try!

### *Details of the cycle tour from Lake Reschen to Verona*

When Germany gradually changes into Italy you have arrived in the 'real' South Tyrol. Take the bike along the Adige to Schlanders, Merano, Bolzano, Trento and Riva Over. These towns are definitely worth a pit stop. There are plenty of freshly harvested fruit and vegetables there. Once you've arrived in Verona, it's time to put your feet up. After a short break, the search for the best 'gelato' commences. **Tip:** Try a daring ice cream flavour. How about fig caramel in ice cream parlour Gelateria Ballini on Piazza San Tomaso? Tuck in and enjoy!

### *Highlights of the cycle tour from Lake Reschen to Verona*

- **Colourful sea of flowers:** Depending on the season, northern Italy shines in colourful floral splendour. Pink, white and pale yellow blooms ooze their beguiling fragrance. Take a whiff for yourself!
- **Messner Mountain Museum:** In South Tyrol, the Museum in Bolzano has dedicated itself entirely to the man from the ice. Learn about the Stone Age and the mystery surrounding Ötzi.

# Tour character

You will ride on beautiful bike paths mainly along the Adige River. The route will lead you from Reschenpass (mountain pass) almost 1,500 metres in altitude downhill to Lake Garda. However, you will have to cycle up some small climbs too. Overall, you will find yourself on beautiful bike paths and asphalted country roads. Unfortunately, moderate traffic is unavoidable on some short connecting roads.
