Dresden - Wittenberg

FROM DRESDEN TO WITTENBERG.

Like a magnet river Elbe appealed good architects. They built baroque magnificent buildings and summer residences for Augustus the Strong. They designed the medieval ambience of the porcelain city Meißen, built the renaissance city Torgau or Luther city Wittenberg. Starting point for this journey is Dresden. Buildings as the Frauenkirche, the Dresdner Zwinger, the Semper opera and the residence palace display the aesthetics of this first-class architecture. Nature is a good architect too, proof for that is the tour through Elbe Sandstone Mountains with its bizarre rocks. You cycle downstream along the river, you visit stations as Radebeul, home of Karl May and wine villages in the near of Meißen.
