Warsaw – Gdansk

ALONG VISTULA RIVER TO THE BALTIC SEA.

The Vistula, also known as the Queen of the Polish Rivers, is a natural river that connects the most important cities in Poland. There has been hardly any intervention in its course, so you can observe the formation of islands and the corrosion of the banks. Enjoy the untouched nature that you will encounter here. On the way you will see places steeped in history, historical crusader castles and varied landscapes.
