Do you dream of narrow streets, a good glass of wine and authentic Italian cuisine? In Florence, Pisa and Siena your dream becomes a reality. The tour also leaves plenty of time to explore the historic towns of northern Italy and become captivated by the Italian culture.

Highlights of the cycle tour through Tuscany

At the beginning of your tour, you will cycle through the vast plains of the valley Valdenievole, which is characterized by a lot of agriculture. You will continue through the first Tuscan villages, through olive groves to Vinci, the birthplace of Leonardo. We recommend visiting the museum in the castle since it is home to one of the largest and most original collections of machines and models of the inventor. Then, you will take quiet roads back to Montecatini Terme.

On your way to Lucca, you will pass the small, medieval wine town of Monte Carlo, where one of the few white wines of Tuscany flourishes. (Alternatively, you can take the train to Lucca). A bike ride on the historic city walls offers magnificent views of churches and towers that rise above the countless roofs of the city. Afterwards, you will continue to Lake Massacciuccoli (also called Lake of Giacomo Puccini) with stunning views of the sea and Pisa with its Court of Miracles ("Piazza dei Miracoli" – Leaning Tower).
