

Moselle-Cycle Path for families

A LITTLE JOURNEY THROUGH TIME.

The Mosel Cycle Path for families is as multifarious as it is exciting: you are always accompanied by fertile vineyards, elegant half-timber houses and mighty castles. Just like a journey through time you follow the trails of the Romans since you come across historic buildings en route time and time again. However you will not be short of fun along this (cycle) route either! You have the option of visiting leisure and outdoor pools, numerous playgrounds and exciting museums on a daily basis. In the cute wine-growing villages and towns en route you frequently take a break and visit one of the wine taverns ‚Straußwirtschaften‘ with their regional specialities. Due to the many adventures along the river and the consistently easy cycle routes on flat terrain, the Mosel Cycle Path is considered the ideal holiday experience for active families!

Itinerary

DAY
1

Arrival in Trier

Arrival at Trier and check-in at your accommodation. Travel documentation and rental bikes (if booked) are ready for you in the hotel. Treves is a town teeming with historic, Roman buildings and architecture. Whether it is the town's landmark, Porta Nigra' or the amphitheatre – it is definitely always worth a visit. Alternatively you can check out the toy museum and take part in the cool museum puzzlehunt.

DAY
2

Trier – Mehring | approx. 20 km

Finally it is time for your cycling tour! You proceed on the left riverbank along easy cycle paths along the river Mosel, past Pfalzel onwards to Schweich. Here we recommend a detour to the adventure pool with its 52 metre long giant slide. Then you continue and cross over to the right side of the river and cycle along the ‚Roman Wine Route‘ until the leisure lake ‚Triolago‘, where you can enjoy the toboggan run, football-golf, a water ski cable car and many more. From there you proceed to Mehring, your first Day Finish.

DAY
3

Mehring – Piesport | approx. 25 km

Still pay a visit to the ruins of the Roman ‚Villa Rustica‘. After that continue on the cycle path along the river Mosel via Detzem and Leiwen with their cool childrens' playgrounds. You cycle past vineyards over to Neumagen-Dhron, the oldest wine-growing community in Germany. Here you may get lucky and spot the true to original Roman wine vessel gliding along on the river Mosel or maybe you might even decide to venture onboard and take part in a culture-trip? Once you arrive in Piesport you can visit the Roman wine pressing facility dating back to the 3rd century.

 approx. 25 km

DAY
4

Piesport – Bernkastel-Kues | approx. 20 km

Today you cycle to Bernkastel-Kues, where the many small streets and the colourful half-timbered buildings are impressive. For parents we recommend a sample of the well-known „Bernkastler Doctor.

We have included a short round of miniature golf for your family.
