Arrival in Vienna

We highly recommend that you arrive early in Vienna. This metropolis on the Danube has plenty to offer and it is worth staying there for longer. Enjoy a cup of coffee and the typical Viennese cake, the "Sachertorte" in one of the numerous coffee houses. You could also treat yourself to a tour with a horse-drawn cab that they call "Fiaker".

DAY
2

Vienna – Bratislava | approx. 70 km

The first stage of your bike tour takes you through the national park 'Donau-Auen'. There you will see the diversity of the flora and fauna as well as the manifold types of landscape for yourself. You pass Orth castle and Eckertsau village and you then reach Bad Deutsch Altenburg. There you can make an excursion on the Roman bike trail (Römerweg) to Carnuntum. The archaeological park is regarded as one of the most significant archaeological sites in Austria. After Hainburg you reach the border with Slovakia and its capital city, Bratislava, which is your next overnight stay.

DAY
3

Bratislava – Mosonmagyaróvár | approx. 45 km

You cycle a short distance through Slovakia today before you pass into Rajk, Hungary. Within just the first few kilometers of your cycle trip in Hungary, you will discover charming villages! This area is heavily influenced by agriculture. Your route guides you through the so-called Szigetköz (a small Rye Island). This is characterized by an uncountable number of Danube side arms. Today's destination is Mosonmagyaróvár, which is also called the "City of 17 bridges".

DAY
4

Mosonmagyaróvár – Győr | approx. 40 km

Today you will also cycle through the nature paradise of the small Rye Island. On your way you pass Hédervár, which is perfect for a lunch break. The castle is situated in the middle of a protected park. You should schedule plenty of time for visiting Győr. The district capital offers many sights and a breathtaking historic centre.

DAY

DAY
6*Komárom – Esztergom/Visegrád*

| approx. 55 km + boat trip/train ride

Today's route runs near riverbanks in the flat Danube valley. In the course of this you pass different villages and while cycling you can view the vineyards in the background. The sporty bikers can choose a route over Tata but there are some increases. This requires a basic level of fitness. Those interested in history should plan time for the Roman castle Kelemantia which is on the way. However the absolute highlight is your destination today: Esztergom (also known as „Hungarian Rome“) or Visegrád. The last kilometres to Visegrád you stay on a Danube boat, from where you can enjoy the beautiful surrounding. You cycle along the „Donauknie“ which is probably one of the most attractive sections of the Danube bike trail. (Please note that with an overnight stay in Esztergom the boat trip from Szentendre to Budapest to Visegrád will take place on the following day. Very likely in April, September and October as well as on Mondays the boat trip will not take place. You would get a train ticket instead.)

DAY
7*Esztergom/Visegrád – Budapest* | approx 55 km

The Royal Palace and the castle of Visegrád will delight you and the open air museum as well as the baroque old town of Szentendre invites you to stay. The first part of your cycle tour leads through the scenic Danube Bend, probably the most attractive section along the Danube. Soon you will reach the Hungarian capital, where you can review the numerous impressions of this wonderful cycle tour during a stroll through the city in the evening.

DAY
8*Departure or extension*

In the Hungarian capital city there is a lot to discover. If you are interested in spending some more time here, we would be happy to book extra nights for you. Our transfer from Budapest to Vienna is very comfortable and this can be arranged for an additional charge.

Tour character

You cycle on bike trails, paths alongside a dam and occasionally on relatively quiet side roads. Busy roads are only used for very short distances. You only cycle on rough paths for 3 short sections. Otherwise you will also be cycling on tarmac. The entire route is signed very well with just a few exceptions in the Slovakian part. Altogether the tour is relatively easy with a few hills at times.

Because of the longer stages you should have a decent level of stamina.
