Details of the leisurely cycle tour with Eurobike

Take in the vibrancy of city life as soon as you arrive in Munich, because there is plenty to see and discover. The first stop is the elegant Lake Starnberg, which has always been a popular holiday destination for the rich and famous - after all, Empress Sissi also came from Possenhofen.

With Murnau, Garmisch-Partenkirchen, Mittenwald, Wallgau and Bad Tölz, you will pass Bavarian gems, where one is more charming and picturesque than the last. Get to know the locals and their traditions and don't miss the excellent cuisine. On day 5, a bike-free day awaits you in Garmisch-Partenkirchen. More known for winter sports, the town is also a highlight in summer. Speaking of highlights, how about a ride up to the Zugspitze - at 2,962 metres, wonderful views await. Via a detour to Lake Tegernsee, the tour finally returns to Munich.

Highlights of the 10-day cycling tour "Munich Lakes"

- **The English Garden** in Munich invites you to linger. Sun worshippers at the Schwabinger Bach, surfers at the Eisbachwelle, sportsmen and musicians on every corner - the green part of Munich spreads a great atmosphere.
- **Plenty of swimming opportunities in the lakes:** Splash! A skilful jump and the refreshment is perfect. Whether Tegernsee, Riegsee or Osterseen - hardly any region offers as many wonderful

bathing spots as the Munich area.

- **Magnificent views of the Zugspitze:** A constant companion, it will always catch your eye - it has the size to do so! From numerous points on the tour you can enjoy wonderful views of Germany's highest mountain in the Wetterstein range.
- **Bavarian customs in Bad Tölz:** Festivals, markets and events characterise the living traditions of the town, above all the Leonhardi ride out, which is famous far beyond the borders. Take a look at the typical traditional costume and try the traditional delicacies, because all this is part of the customs.
