

Lüneburg Heath Loop Tour

HEIDSCHNUCKE AND BLOOMING NATURE.

Romanticist, venturous roller coaster heroes and friends of culture – they all love the moor land of Lüneburg like poet Hermann Löns did. We are not surprised about that! Amusement parks, old timbered house and an especial train station in Uelzen: this region is multifunctional – and you will find no mountains here. But this is no disadvantage for bikers. You will cycle on excellent bike paths. This moor land and your bike: that fits...
