Lake Traunsee | approx. 45 km + train journey

In the morning, you will take the train to Gmunden. The beautiful lake resort invites you for a walk. We recommend visiting Orth castle and the ceramic chimes in the town hall's tower. On the bike path, you will cycle along the river Traun to Ebensee. Then you will continue further along the Traun until you soon arrive in Bad Ischl. The former imperial city attracts visitors with its Imperial Park, Imperial Villa and Sissi's teahouse. From here there are only a few more kilometres until you will be back at your hotel.

DAY

Lake Gosausee | approx. 25 - 40 km + Transfer

The day will start with a transfer to Gosau. From there, you will be able to ride your bike to lake Vorderen Gosausee. From there you will have a marvellous view. On your way back, you will cycle along the river Gosaubach to Lake Hallstatt and then further along the river Traun back to Bad Goisern.

DAY

Lake Wolfgangsee | approx. 55 km

First, you will ride your bike along the river Traun to Bad Ischl. The river Ischler Ache flows to Lake Wolfgangsee and then further on to St. Wolfgang. If you have time, you should not only visit the White Horse Inn and the church, but you should also go up the Schafberg mountain by taking the rack railway! A short ferry ride will take you to the other side of the lake and the bike path will take you via lake Nussensee and back to the hotel.

DAY
5*Lake Hallstatt* | approx. 35 km

Today, there is plenty of time to explore the World Heritage area around Lake Hallstatt. Magnificent nature and the oldest salt mine in the world, the Dachstein Ice Caves, or a relaxing boat trip – there is something for everyone! During this tour, you will always cycle along the lake's edge and all of the attractions are close to the route.

| approx. 35 - 55 km + train journey

The train will take you to Bad Aussee. There, you will have the opportunity to take a trip to the lakes Grundlsee and Toplitzsee. Lake Altausseeer See is located on the way to the valley Rettenbachtal, which leads to Bad Ischl. Now you should definitely try the famous pastry Zaunerstollen (included in the tour price) at the Café Zauner. Because Emperor Franz Josef has already enjoyed these delicious pastries! After cycling a few more kilometres, you will get back to Bad Goisern.
