Nowadays Tholen is connected to the mainland in various ways. In the afternoon you will sail via the impressive Kreekrak lock to Antwerp, which is not only known as diamond city, but also as native city of painter Rubens. You will find some of his paintings in the “Onze Lieve Vrouwe (our lady) Cathedral”. Dinner on board.

DAY

Antwerp – Temse – St. Amands | approx. 35 - 50 km

Today’s tour will see you cycle out of Antwerp on a beautiful cycle path along the picturesque tidal Schelde River to St. Amands, your home for the night. DAY
5*St-Amands/Dendermonde - Gent* | approx. 50 km

The bike tour follows again the river Schelde in the direction of Ghent. Ghent is a lively university city, again, one with a rich past. In the afternoon you have the opportunity to discover the city some more or to shop in the lively centre. The city was founded in Roman times, where the rivers Leie and Schelde converge. The convenient location has over the years brought much prosperity, culminating in the late 13th, early 14th century. The textile industry brought great wealth. In the city, many old patricians preserved. The Cloth Hall (1425) brought cloth merchants together. The main church is the St. Bavo Cathedral, which is built in different ages and in the different corresponding styles. In the cathedral are some masterpieces of medieval art, which "Adoration of the Mystic Lamb" by Jan van Eyck is the most famous. The ship is docked at the lock in Merelbeke, a suburb of Ghent (approx. 30 min by bike from the city centre). Dinner on board.

DAY
6*Gent-Merelbeke - Bruges* | approx. 20 - 45 km

Today you will cycle through the beautiful Flemish countryside of western Flanders to Bruges, widely described as the 'Venice of the North' and arguably the most beautiful of all the Flemish cities. Bruges attracts more than two million visitors every year who come to see the picturesque medieval town centre of the UNESCO World Heritage-listed historic city and a long list of historic attractions. An outstanding example of a medieval historic settlement, Bruges has managed to maintain its historic fabric as it has evolved over the centuries, with the result that today the city's original Gothic buildings form an integral part of the town's identity. While you are here you can visit one of Bruges many museums or simply take in the stunning beauty of this unforgettable city from the comfort of a sidewalk café. Dinner tonight will be in town in a restaurant of your choice (recommendations available on board).

DAY
