Chiemgau Highlights

FROM LAKE CHIEMSEE THROUGH THE BERCHTESGADENER LAND.

The Chiemsee is the largest lake in Bavaria and, with its 80 square metres, is considered the "Bavarian sea". But it's not just the imposing body of water that's worth a visit, the Chiemgau is simply worth a (cycling) trip! Discover with us refreshing lakes, picturesque villages and the unique warmth of the region.

Details of the cycle tour Chiemgau Highlights

Even the first stage to nature-orientated Reit im Winkl is perfectly complemented by a detour to the Austrian Walchsee. Dive into one of the warmest bathing lakes in Tyrol. On day 3, the highlights come thick and fast: Explore the famous winter sports resort of Ruhpolding, enjoy the local culinary delights in Inzell and float in the thermal spa in Bad Reichenhall.

Via Berchtesgaden you cycle along the most beautiful paths to the Mozart city of Salzburg. Here you should plan enough time to explore the world-famous corners of the old town. You will not be disappointed, because Salzburg is simply magnificent! On the way back to the Chiemsee, you will pass two more beautiful, smaller lakes in the region - the Waginger See and Tüttensee.

Highlights of the 7-day tour

- **Herreninsel and Fraueninsel on the Chiemsee:** Two places so beautiful and full of history. The two islands exude a very special atmosphere that is waiting to be discovered. Did you know that the foundation stone for the German constitution was laid on Herreninsel? And that Fraueninsel is one of the oldest artist colonies on the continent?
- **Impressive Alpine panorama:** You can enjoy incredibly beautiful views the entire route, but it also has its charm from above. Take the world's oldest cable car up to the Predigtstuhl, for example.

- **The Watzmann towers over Königssee** almost like a protector - a sight that casts a spell over you. Incidentally, the famous lake has drinking water quality, and only electric boats and rowing boats sail here. All the more reason to take a dip in the crystal-clear waters.
- **The Mozart city of Salzburg:** No matter where you are in the world, when you talk about Austria, almost everyone knows the Mozart city. And rightly so! The baroque architecture makes the old town a jewel you absolutely must explore.

Useful information about the Chiemgau tour

Although the mountains rise steeply all around, this tour can be described as a bit hilly. The great route leads along the Mozart Cycle Path, which follows in the footsteps of the famous composer and is just as excellently signposted as the other stages. You can relax in the beautiful 3 star hotels, inns and guesthouses that have been carefully selected for you by our team.

Itinerary

DAY
1

Arrival at Lake Chiemsee

In the evening welcome meeting and rental bike fitting. We recommend a first stroll along the lakeside.

Hotel (example): [Hotel Jägerhof](#)

DAY
2

Lake Chiemsee - Reit im Winkl | approx. 55 km

The mountains will get higher and higher, but the cycling route continues to be nearly flat when you get closer to them. You will cycle through Aschau with its palace which can be seen from far away lying at the foot of the Chiemau mountains, and past the Kampenwand on Priental cycle path towards Tyrol. In Austria you can take a break at idyllic Lake Walchsee, before you will pass the german-austrian border again to reach the climatic spa town of Reit im Winkl with its typical Bavarian alpine atmosphere.

DAY
3

Reit im Winkl - Bad Reichenhall | approx. 60 km

Narrow between the mountains the routing will take you along the German Alpine Road. On Mozart Cycle Path you will get past Lake Weitsee and with a little luck you can see a famous biathlon athlete in Ruhpolding during their summer trainings. You can have a lunch break in Inzell, another famous climatic spa town with its famous Lüftlmalerei, before you cycle via Schneitzlreuth along river Saalach to famous spa town Bad Reichenhall. What about a bit of „wellness“ in thermal bath or a ride with the legendary and oldest cable car of the world to the Predigtstuhl, 1.600m above sealevel.

DAY
4***Bad Reichenhall - Berchtesgaden/Lake Königssee***

approx. 20 - 30 km

Today a short stage with lots of time to enjoy the fantastic views on Watzmann mountain on your way to Berchtesgaden. The Obersalzberg or famous Kehlsteinhaus is definitely worth a visit. Or you can cycle a couple of kilometres more along Königssee ache to reach famous Lake Königssee with the possibility to have a boat ride and the visit of Bartholomä monastery on the foothills of Watzmann.

Hotel (example): [Hotel Alpina Ros](#)

DAY
5***Berchtesgaden - Salzburg - Laufen/Oberndorf***

approx. 45 km

Along Königssee ache you will pass the Bavarian-austrian border again and then you only have some pedal rotations more to reach Salzburg with its many attractions. After an extensive visit of Salzburg you will cycle relaxed on the Tauern Cycle Path along river Salzach until you reach charming Laufen and Oberndorf with its famous „Silent Night Chapel“. Have a nice stroll in the evening at the riverside to end your day.
