Eastern Friesland - based in one hotel

COAST, LIGHTHOUSES AND WADDEN SEA.

To drive in Eastern Friesland means cycling alongside dykes and coasts and past lighthouses. Especially the East Frisian island Norderney is perfect for cycling. You will enjoy in an easy-going way the fresh sea breeze at the North Sea. But not only the stiff breeze is typical for East Friesland, but some dreamy fenland canals, pristine wetlands and a very special tea ceremony too. In this region a cycle tour means "cycling always close to the wind – best with tailwind.

Itinerary

DAY
1

Arrival in Norden

You arrive in the oldest town of Eastern Friesland, the town Norden. In the late afternoon you will have an info talk and the bike issue (if booked). After that you can stroll through the nice town a bit to get in the right mood for the next day.

DAY
2

A tour to the lighthouses | approx. 60 km

Cycling alongside the dyke you reach the 600 years old fishing village Greetsiel. After a break in the picturesque cutter harbour you continue cycling to the lighthouse in Pilsum. Cycling through the inland you reach Eilsum with the 36 metres high belfry. Via the old dyke of Wirdum you drive back to the North.

DAY
3

The East Frisian Island Norderney

Today you visit the island Norderney (ferry inclusive) and you will leave all your cares behind. As an alternative the town of Norden has something to offer too: for example, the Tea Museum, the heritage railway or you cycle to the seal breeding station in Norddeich and watch the feeding of the seals. By the way you will learn some worth knowing things about the World Heritage natural site Wadden Sea.

DAY
4

History, pirates, hests and pristine moorlands

| approx. 40 km

Today you will enjoy a day full of history. At first you cycle into the pirates' nest of Störtebeker. You cycle further to Münkeboe. In the local "Dörpmuseum" (museum) you will learn a lot of things about life and work of the people in a little moorland village a hundred years ago. Via Berumerfehn and Hage you reach Lütetsburg. The castle grounds are one of the biggest and most beautiful ones in Northern Germany. Here you can finish the day in the park café.

DAY
5

The North Sea and the Wadden Sea | approx. 60 km

From Norddeich you cycle in eastern direction into the littlest bathing resort of the North Sea coast with a lot of recreation offers. Here you have a chance to take a ferry (not inclusive; see our note) to the island Baltrum. Alternatively you cycle alongside the dyke to Dornum. The former site of East Frisian chiefs with its water castle has a lot to show. Enjoy typical East Frisian tea and homemade cakes in the castle garden and explore the castle.
