# Lake Constance Cycle Tour

## ON THE BIKE ALONG THE SWABIAN SEA

The start of this fantastic cycle tour around Lake Constance is Constance. After a relaxed stroll through the city and a detour to the island of Mainau, you cycle along the Dreiländersee. In the heart of Europe, you can explore this wonderful region between Austria, Germany and Switzerland. The holiday flair, the incomparable culture and the wonderful nature form the unique character of this cycle tour. Experience the water and its towns from a very special viewpoint on your bike. Who wants a family holiday? Here we go!

### *Details about the Lake Constance Cycle Tour*

You cycle from one place to the next on this cycle tour around the Dreiländersee. The best thing about it: the Lake Constance cycle tour has two routes up its sleeve. Which of the two you choose is entirely up to you. In the first variant, the towns of Radolfzell, Überlingen, Lingen and Arbon are on the programme. Variant B makes stops in Kressbronn, Nonnenhorn, Höchst and Rorschach. The only difference between the routes lies in the daily stages covered. Want a rest? The way back to Constance is easy with a boat trip. Wonderful!

### *Highlights of the cycle tour around Lake Constance*

- Friedrichshafe: You cycle through the vineyards towards the famous town of Friedrichshafen. Cultural highlights such as the baroque Wallfahrtskirche Basilika in Birnau and the Zeppelin Museum should definitely be on your programme.
- Bregenz Festival: From Bavarian Lindau we head towards Austria. In Bregenz, the capital of Vorarlberg, the festival takes place annually on the world's largest floating stage. Enjoy the charm of the city and let yourself be pampered by traditional Austrian cuisine!
