

# Saarburg - Coblenz, MS Patria

## ALONG THE MOSEL AND SAAR.

Germany's beautiful river landscapes along the Moselle and Saar are inviting you for a bike & boat trip! Combine diverse bike tours with a comfortable stay on board the MS PATRIA. Whilst on this 8 day tour, you can explore Saarburg, which gets called "Little Venice", as well as other towns.

However for romantics and sensualists, this city is not the only highlight on this tour. Other small highlights will include beautiful half-timbered houses, vineyards, the Porta Nigra in Trier and the old Saar loop. Whilst you cycle along the route during the day, the MS Patria or your "floating hotel" is also travelling along the river. You can get back on it when you reach the day's destination. And if you do not want to cycle, you can enjoy the tour on board. The Moselle and Saar Rivers are presented in the best light on this tour.
