

Rotterdam & Province Zeeland, MS Olympia

... AND THE SEA IS ALWAYS NEAR

- **Attention:** For this tour there is a "super summer offer" on selected dates!

The province of Zeeland, also referred to as the „Land in the Sea“ is located in the west of the Netherlands and mostly consists of islands and peninsulas. The Eastern and Western Scheldt estuaries reach far inland, thus making Zeeland a paradise for flora and fauna. Cycle with us from the energetic city of Rotterdam – the city stands for easy and relaxed togetherness like no other city in the Netherlands – to the province of Zeeland. Discover the historic towns of Zierikzee and Middelburg and the Delta Works, Holland’s most impressive storm surge barriers. Sample delicious mussels, oysters and Eastern Scheldt Lobster. You should not miss out on a stop in one of the numerous fish restaurants!

Itinerary

DAY
1

Arrival in Rotterdam, Boat Tour Rotterdam – Dordrecht

Individual arrival in Rotterdam. Embarkation at about 04:00pm. You may have some time left to see Rotterdam's stunning Market Hall. The Dutch refer to it as their version of the „Sistine Chapel“. At 06:00pm sail to Holland's oldest town, Dordrecht, impressively located on an island between three wide rivers.

DAY
2

Dordrecht – Willemstad – Hellevoetsluis | approx. 45 km

In the morning, set sail for Willemstad, a small fortified town dating from the 17th/18th century, which is well worth visiting. Here start for your first cycle tour. Cross the inland waters of Haringvliet over the Volkerakdam, and cycle through fields and past storybook villages like Zwartsluis and Goudswaard to the popular water sports centre of Hellevoetsluis.

DAY
3

Hellevoetsluis – Bruinisse | approx. 45 km

With fine weather, it is worth to take a detour to the bathing beach of Rockanje, a wide fine-sandy beach with marvellous dunes, before starting the bike tour. Crossing the Haringvliet again, you pass through small villages like Stellendam with the mill Korenlust, the small water sport village of Herkingen and, continuing along the Grevelingendam, you reach the mussel village of Bruinisse.

DAY
4

Bruinisse – Middelburg | approx. 55 km

Today cycle to the small town of Zierikzee, which is among the 10 most beautiful Dutch national heritage towns. The „fat tower“ rises high above the town. The top of the tower offers marvellous views over the town, the harbour and the island. Continue your tour crossing the Zeeland Bridge to Middelburg, the capital of the province of Zeeland. Once the second most important city in the Netherlands after Amsterdam, Middleburg is a town full of history. Numerous shops and cafes are waiting to be discovered.

DAY
5*Middelburg - Neeltje Jans - Veere*

approx. 35 - 50 km

Destination of today's cycle tour is Neeltje Jans. The former working island was created by rising a sand flat to facilitate the construction of the Eastern Scheldt storm surge barrier, the most impressive construction of the Delta Works. You will have the possibility not only to marvel at the locks from up close but also from the inside. Afterwards, continue the cycle tour to Veere, a beautiful holiday seaside town, where once deeply loaded Scottish ships landed.

DAY
6*Round tour Veere, Boat tour Veere - Dordrecht*

approx. 40 km

Today can see the picturesque, typically Dutch landscape on the the Walcheren island around the lively tourist towns of Veere and Middelburg. Nowhere in the Netherlands does the sun shine as often and as long as on Walcheren. Alternatively, you can also take one of the bike tours from yesterday.

DAY
7*Dordrecht - Rotterdam*

approx. 40 km

On your last bike stage you will experience the most famous windmills in the Netherlands at Kinderdijk. The 19 well-preserved mills date from the 18th century and have been declared a World Heritage Site by UNESCO. Your path continues along the Maas River to Rotterdam. Take the opportunity for a harbor tour through the largest deep water port in Europe and admire the skyline and impressive architecture from the water.

DAY
8*Departure from Rotterdam*

Disembarkation until 09:00am and individual journey home.

Tour character

Due to its numerous cycle paths, Holland has become a paradise for cyclists. The cycle routes are on flat terrain and are easy to cycle on, strong headwinds possible.
