Lake Constance in all its facets

THE BIG LAKE CONSTANCE ADVENTURE TRIP.

You will have to look around hard to find another classic cycle path that is as popular as Lake Constance. Three countries participate in the large lake in the heart of Europe. Austria, Germany and Switzerland add a special flair to the lake. This unique symbiosis of various cultures contributed a number of precious treasures of art. To mention only a few of them: Cultural heritage Island Reichenau, baroque style pilgrims church Birnau or the historic old town of Stein on Rhine. Add the marvellous countryside along the lake and a cycle path winding the way through idyllic meadows, along glittering water and in front of the stunning peaks of the Alps.
