## *West Frisian Tidelands, Wapen fan Fryslân*

A SENSE OF FREEDOM.

Wind and salt on your skin and a feeling of freedom! Sailing trips are something special. It's a little like being a seafaring pioneer discovering the waters... Aboard on the Wapen fan Fryslân, a comfortable sailing ship, you will experience pure nature while enjoying water, sun and a stiff breeze on the big inland lake IJsselmeer and the so-called "Wadden Sea". The "Wad" (Dutch for "mud flat"), a nature reserve that is unique in the entire world, stretches across the coast of the North Sea.

Highlights of the tour are the North Sea islands of Texel and Terschelling and their beautiful natural areas, small villages and long sandy beaches that you can explore by bicycle. Highlights of the coasts of the mainland in the provinces of North-Holland and Friesland are a combination of rural areas, small villages and picturesque harbour towns: a true "El Dorado" for cyclists. If you like, on board, you may – instructed by the experienced crew – lend a hand during navigating and raising the sails. Sailing experience is not necessary. But of course you are also very welcome to just relax and enjoy the sailing and scenery. What are you waiting for? Let's cast off!

The landmark of the island can already be seen well from a distance: the 400 year old lighthouse "Brandaris". Also worth seeing is the heath land "Boschplaat". It captivates with its mud, beaches and dunes. You might even spot a number of ducks, black-winged stilts and large colonies of spoonbills and great black-backed gulls. In the late afternoon the ship will cross the Wadden Sea and sail to Harlingen, the most important harbour city of the province of Friesland.
