Danube-Cycle Path from Schärding to Linz for families

THE CLASSIC TOUR WITH THE FAMILY.

The Danube-Cycle Path: one of the most popular, if not the most popular cycle path in Europe. Our family cycling tour offers you and your entire family a unique opportunity to experience this cycle path in a casual manner. With the little Baroque town Schärding as your starting point, you cycle along stunning cycle paths all the way to Linz, the provincial capital of Upper Austria. Short daily stages, lots of time for intervals and child-friendly hotels create a rounded and perfect holiday. Along the river Danube there are funny leisure activities on offer for you every day. We guarantee happy children and lots of fun for the little ones. Come along to the river Danube!

Itinerary

DAY
1

Arrival in Schärding

You take a stroll through the pretty little Baroque town of Schärding and can marvel at the famous ‚Silberzeile‘ (row of colourful houses). Enjoy the numerous cafés and restaurants on the town square. Miniature versions of the 7 Wonders of the World are displayed all over Schärding and can be admired up close and will take you back into a world of legends and myths. In the evening, welcome meeting and rental bike distribution.

DAY
2

Schärding – Passau | approx. 15 km

Fresh as a daisy you continue the well-maintained and perfectly signposted cycle path along the river Inn to Passau. This town, located at the confluence of three rivers, with its car-free pedestrian zone is regarded as one of Germany’s most beautiful towns. There will be enough time for you to enjoy ice-cream, cakes or a cup of coffee in one of the countless pavement cafés and restaurants. The afternoon you spend in the adventure-pool ‚Peb‘ in Passau (entrance fee included). This swimming paradise with diving platform, wave pool, slides and lots more is one of the most spectacular pool facilities in Germany!

DAY
3

Passau - Schlögen | approx. 40 km

Today you start at the Southern side of the Danube and cycle along a marvellous route with lovely views all the way to Jochenstein. On a very hot day we recommend a short detour to the outdoor swimming pool in Engelhartzell. Then you continue the Northern side of the Danube through the nature reserve ‚Donauleiten‘ all the way to Schlögen. From here you take the ferry (autonomously) and change over to the other side again, where you reach your Day Finish.

DAY
4*Schlögen - Aschach* | approx. 30 km

The nature spectacle ‚Schlögener River Bend‘ is straight at the start of today’s stage. Here the Danube hit the invincible granite, which caused a change of direction of 180 degrees. From there you continue along the course of the river Danube all the way to Aschach. A fantastic cycling day amidst stunning nature.

DAY
5*Aschach - Linz* | approx. 30 km

Today you can change over to the North side of the Danube again and then continue along the Danube cycle path into the leisure land ‚Freizeitland Linz‘ with its five bathing lakes. After a splash and a cool-off you continue through the ‚vegetable patch‘ of Upper Austria - the basin around Eferding, past Ottensheim and Wilhering into the provincial capital Linz, where you spend the rest of the day relaxing in one of the countless restaurants.

DAY
6*Linz - Schärding with transfer*

The morning is all about the provincial capital of Upper Austria. After breakfast, we recommend a casual stroll through the old part of town, a visit to one of the fantastic museums or to join in the special cultural programmes on offer for the entire family. In the afternoon a transfer bus will take you back to the starting point of your trip.
