## *Lake Garda - based in one hotel*

TRENTO, VERONA, MANTUA AND BRESCIA.

Lake Garda is not only the largest lake in Italy, but also the gateway to the 'Dolce Vita' for numerous holidaymakers. Trentino, Lombardy and Veneto share the emerald green landscape near the Alps which is a scenic jewel for cyclists. But only a few holidaymakers will experience Lake Garda as you do during a cycling holiday. The scent of cypresses in the nose and the Mediterranean landscape all around you make this trip unique. You don't have to do without city pearls either - the historic cities of Trento, Verona, Mantua and Brescia ensure that.

### *Details about the tour on Lake Garda*

Starting from the south of Lake Garda, you get to know the region a little better every day. On the daily cycle tours, you will be rewarded with impressive views of the Lake, but the surrounding area can also be seen – and tasted! Taste your way through the specialities of the region, especially fresh fish, and do not miss out on a special wine accompaniment. In Lugano and Custozza, wine is grown directly on Lake Garda!

### *Highlights of the cycle tour on Lake Garda at a glance:*

- Stories of Romeo & Juliet: In the city of Romeo & Juliet, Verona, you will encounter the traces of the most famous lovers in the world. Tip: cycle around the arena in Verona!
- Charming 3 and 4-star hotels to choose from: You sleep in selected hotels on the southern edge of Lake Garda, either in the port cities of Sirmione or Desenzano.

The hotels can be booked in 3 or 4-star categories – take your pick!

- By boat across Lake Garda: You can admire Lake Garda in all its glory as you travel from north to south. On the second day of the cycle tour, a boat takes you across the lake from Riva to Sirmione or Desenzano.
