

Villach - based in one hotel

CYCLING THROUGH THE CARINTHIAN LAKE PARADISE.

The Carinthian lake paradise is the setting for this unique tour. The many and well established bike paths along the lakes are ideal for families and leisure cyclist.

Situated in the middle of the Alpe-Adria region, at the border to Italy and Slovenia, Carinthia is a country full of mountains and lakes, ideal to relax and practice sport. It's quite difficult to select among the over 200 lakes, but the tour guides you to some of the most beautiful of them. Because of its particular climatic conditions, cycling is possible from April to October.

The basis of the tour is Villach. The bike city is situated next to river Drau. Carinthia's second largest town with some 60,000 inhabitants captivates visitors with its easy-going, Mediterranean lifestyle – perfect for gourmets, art lovers, shopaholics and those seeking relaxation. Starting there some parts of the tour are going along the Drau bike path, classified from ADFC as 5-star-quality-route.
