Self-guided loop tour | 8/7 | approx. 350 km |

DESCRIPTION

The Magic Flute might sound. Or the Little Night Music will golden your evening hours. Wolfgang Amadeus Mozart accompanies you on this journey. Wherever you look, his family has left many traces. The city of Salzburg would be completely different without its most important son. His house of birth, the house where he lived and the Mozart statue testify to his presence also in modern times. If you are cycling relaxed and without pressure, the lovely landscape will also influence you. Put yourself in his musical genius and follow his paths! The Route will lead you from Lake Chiemsee to the Inntal valley. From here you will pass the northern Tirol and the little German corner back to the Mozart's hometown – Salzburg.

HIGHLIGHTS

Following in the footsteps of Mozart, your itinerary includes Chiemsee, the charming Wasserburg, and Kufstein. Consider making a detour to the idyllic Königssee before enjoying the atmosphere of the festival city of Salzburg once more.

DIFFICULTY LEVEL MEDIUM

The route is flat and slightly hilly, some steeper ascents and descents. Usually well-built bike and field paths; short distances on side roads and twice also on the main road (not longer than 1-2 km).

ITINERARY

Day 1: Arrival in Salzburg

Why not go for a look around Salzburg on the day you arrive in Mozart's footsteps? You can check out his birth place, his place of residence, the Mozart statue, Waagplatz, confectionary Fürst, Café Tomaselli and the cathedral.

Day 2: Salzburg – Traunstein surroundings/Chieming

approx. 65-70 km

Cycle along the Salzach river to Oberndorf (birth place of "Silent Night"). You cross the Austrian/Bavarian border to Laufen. From there you cycle to Lake Waginger See. You ride along the river Traun to the Chiemgau's capital, Traunstein (salt works district, town tower and brewery) or to Lake Chiemsee.

Day 3: Traunstein surroundings/Chieming – Wasserburg

approx. 50-65 km

You cycle from Chieming to Seeon via Seebruck where Mozart visited the monastery several times. From Seeon you go back to Lake Chiemsee and then on to Breitbrunn. Via Amerang you reach Wasserburg where Mozart stayed several times during his travels.

Day 4: Wasserburg – Kufstein

approx. 65 km

Stroll through the lovely city of Wasserburg, which is nearly trapped by the river Inn. Today you follow the river Inn until you get to Kufstein, the "pearl of Tyrol". Seeing as the route hardly ever leaves the wonderful Inn valley, there are pretty much no hills. That means taht you can simply enjoy the ride into Tyrol via Rosenheim.

Day 5: Kufstein – St. Johann

approx. 50 km

You continue your bike ride along the river Inn. Afterwards you cycle the hilly route via Ebbs, Walchsee, Waidach and Kössen through the imposing Tyrolean landscape to St. Johann.

Day 6: St. Johann – Bayerisch Gmain/Bad Reichenhall

approx. 55 km

Today you cycle to Waidring and Lofer. Mozart visited both of these places on his travels. From Lofer you cycle along the river Saalach on a romantic bike path via Unken and Schneizlreuth to Bad Reichenhall. Mozart stayed in Bad Reichenhall on his last stopover in Salzburg in 1780. You either stay overnight in Bad Reichenhall or Bayerisch Gmain.

Day 7: Bayerisch Gmain/Bad Reichenhall – Salzburg

approx. 50 km

Berchtesgaden is a good place to take a break. We recommend a trip to the nearby lake Königssee before returning to Salzburg and spending your last evening there.

Day 8: Departure or extension
